### 1. COVID Activity

- a. Effective June 1 Changes – Staff Questions on CDC Guidelines (Mask/Travel/Exposure)
  - o Rosa reviewed the Changes to COVID Requirements Impact to Employees breakdown document with the group which highlighted the following updates
    - f Face masks would be considered optional for both outside and inside all campus buildings.
      - ¾ If staff still wanted to wear masks, they will be allowed to use whatever kind of mask they would prefer to wear and masks would continue to be available to employees upon request.
    - f While the campus had decided to discontinue their online Screening COVID Symptom Survey, the Shops would be utilizing a new online Screening Survey.
      - ¾ Employees who do come into work would be doing a “self check” that they do not have any symptoms nor have been exposed to the virus.
      - ¾ For staff members who were experiencing COVID symptoms, had been exposed to someone who had tested positive, were waiting on test results or lived with someone who had tested positive for COVID, these

¾ Rosa explained that there were no plans to have those removed at this time, however, we may need to discuss this at a future meeting.

¾ Additionally, the Corrective Action Form had a new column included delineating whether an action had been noted on a past audit to be corrected.

f With Clint's organizational role expected to change as we move into the fall semester, this process would be transitioned to Eliana to manage moving forward

¾ Eliana let the group know that if there were any issues in the future with the forms not being submitted (t-6 (h)2 (a)4ective(o c)4 (h)-10 ((or)3
